What is OAMES membership about?

Companies are being pulled in many directions as day-to-day duties and operational challenges grow for you and your staff. However, as a business that is greatly impacted by government, you must get involved and there's no organization working harder for HME businesses than the Ohio Association of Medical Equipment Services. With your support, OAMES will help lead our companies through these challenging times and help you be successful in your communities.

- **Get educated!** Check out OAMES and industry events all year long at www.oames.org and enjoy member discounts on critical training programs for Medicaid, Medicare, compliance and other timely topics.
- **Get informed!** Join OAMES to have staff receive *OAMES Bulletins* and *Alerts* via email with important updates and breaking news items on health care, HME and small business issues.
- **Get involved!** Sign up to serve on one of OAMES committees or workgroups – Advocacy, Education, Membership, or Policy Committees as well as Medicare, Medicaid, and CRT Workgroups!
- **Did you know as a member you can...**
 - * track staff's continuing education credits on OAMES website?
 - * post job openings at no charge online at oames.org?
